

EGE KİMYA SANAYİ VE TİCARET A.Ş.

COOKIE INFORMATION NOTICE

As Ege Kimya San. ve Tic. A.Ş. (“Ege Kimya” or “Company”), we use certain cookies during your visit to our website to improve your experience. The use of these technologies is carried out in compliance with the Law on the Protection of Personal Data No. 6698 (“Law”) and other applicable legislation.

The purpose of this Cookie Information Notice is to inform you about which types of cookies we use during your visit to our website, for what purposes they are used, and how you can control these cookies.

Ege Kimya may discontinue the use of cookies, change their types or functions, or add new cookies to the website. Therefore, we reserve the right to amend the provisions of this notice at any time. Any changes made to the current notice will take effect once published on our website. You can find the latest update date at the end of this notice.

Method and Legal Grounds for Collecting Cookies

Cookies are collected automatically in electronic form during your visit to our website, based on the Company’s legitimate interests and, for certain cookies, on your explicit consent.

Which Cookies Are Used and For What Purposes?

As Ege Kimya, we use cookies in order to perform the essential functions required for the operation of our website and to improve the user experience. Personalization, targeting, and advertising cookies are not used on our site; only analytical cookies (ga and _ga) are present.*

The cookies set by the Google Analytics service are not retained as personal data. These cookies allow us to count visits and traffic sources so that we can measure and improve the performance of our website. They help us understand which pages are the most and least popular and see how visitors navigate the site.

All information collected by these cookies is aggregated and therefore anonymous. Accordingly, these cookies are processed anonymously by Google and reported to our Company only as results. If you do not allow these cookies, we will not know when you have visited our site and will be unable to monitor its performance.

You can find information security texts related to these cookies and manage your settings at: <https://tools.google.com/dlpage/gaoptout>.

The following provides information regarding the cookies used on our website:

Cookie Name	Domain	Type	Retention Period	Description
_cf_bm	egekimya.com	Mandatory cookie, first-party cookie	30 Minutes	This cookie is used by Cloudflare to distinguish real visitors from automated bots. It helps protect the security and performance of the site.
pll_language	egekimya.com	Mandatory cookie, first-party cookie	1 Year	This cookie remembers the language in which the site is displayed. It does not process personal data, only stores language preference.
pressidium_cookie_consent	egekimya.com	Mandatory cookie, first-party cookie	6 Months	This cookie stores visitor preferences regarding cookies.
ga*	egekimya.com	Analytical cookie, first-party cookie	1 Year	Contains a unique identifier used by Google Analytics to determine whether two hits belong to the same user.
_ga	egekimya.com	Analytical cookie, first-party cookie	1 Year	Contains a unique identifier used by Google Analytics to determine whether two hits belong to the same user.

How Can I Control the Use of Cookies?

Regarding the use of cookies and similar technologies, the preferences of our visitors and users are essential for us. However, the use of cookies that are strictly necessary for the operation of the website is required. In addition, we would like to remind you that if certain cookies are disabled, some functions of our website may partially or completely fail to operate.

We emphasize that cookies belonging to groups not permitted on our website are not stored and no information is collected. If you click the “Accept All” option on the information panel that appears during your first visit to the site, the relevant analytical cookies will be activated. In the absence of cookie consent on the site, no Google Analytics tracking is performed and the creation of such cookies is completely prevented.

Within this scope, no analytical data is collected without your consent.

Finally, we would like to underline that all data traffic carried out through our systems is secured with the SSL (Secure Socket Layer) encryption protocol. In this context, the confidentiality and integrity of data traffic are protected in line with internationally recognized security standards, and all necessary technical infrastructure measures are meticulously implemented against risks such as unauthorized access, data loss, misuse, and similar threats.

Furthermore, technical and administrative measures regarding data security are regularly reviewed and applied in accordance with applicable legislation and industry best practices.

Rights of the Data Subject

As per Article 11 of the Law, data subjects whose personal data are processed have the right to:

- Learn whether their personal data is processed,
- Request information if their personal data has been processed,
- Learn the purpose of processing and whether it is used in accordance with its purpose,
- Know the third parties to whom personal data is transferred domestically or abroad,
- Request correction if personal data is incomplete or incorrectly processed, and request notification of such correction to third parties,
- Request deletion or destruction of personal data if the reasons requiring its processing cease to exist, and request notification of such deletion to third parties,
- Object to any result arising against them through the exclusive analysis of processed personal data by automated systems,
- Demand compensation if they suffer damage due to unlawful processing of personal data.

You may submit your applications regarding the rights listed above to our Company in the manner specified in the Application Form available at <https://www.egekimya.com/>. Depending on the nature of your request, your applications will be finalized free of charge as soon as possible and within thirty days at the latest. However, if the process requires an additional cost, a fee may be charged according to the tariff determined by the Personal Data Protection Board.
